### Sonomed Escalon<sup>™</sup> Introduces AXIS Share<sup>™</sup>

WAYNE, Pa., May 19, 2011 -- Sonomed Escalon<sup>™</sup>, a part of Escalon Medical Corp. (NASDAQ: ESMC), today announced the introduction of its AXIS Share<sup>™</sup> feature.

AXIS Share<sup>™</sup> is a new collaborative tool that allows clinics to give secure web access to referring physicians for reviewing exam records and images for those patients which have been referred. The benefits of AXIS Share<sup>™</sup> for clinics include streamlined care with reduced administrative overhead, immediate access to images, and ultimately opportunity to improve patient quality of care.

AXIS<sup>™</sup> Image Management System provides a web-based infrastructure for storing ophthalmic diagnostic images and data in a single database allowing easy access to review and analyze images over multiple exams across different imaging modalities. The browser-based interface means that images, video clips, and data can be accessed anytime from anywhere – exam room, physician office, remote clinic, home office, anywhere with high-speed Internet access – at the click of a button.

AXIS Share<sup>™</sup> is the latest feature within the powerful AXIS<sup>™</sup> Image Management System and is available immediately.

Founded in 1987, the Company ([www.escalonmed.com](http://www.escalonmed.com)) develops, markets and distributes ophthalmic diagnostic, surgical and pharmaceutical products. Drew Scientific, which operates as a separate business unit, provides instrumentation and consumables for the diagnosis and monitoring of medical disorders in the areas of diabetes, cardiovascular diseases and hematology, as well as veterinary hematology and blood chemistry. The Company seeks to utilize strategic partnerships to help finance its development programs and is also seeking acquisitions to further diversify its product line to achieve critical mass in sales and take better advantage of the Company's distribution capabilities, although such partnerships or acquisitions may not occur. The Company has headquarters in Wayne, Pennsylvania and operations in Long Island, New York, New Berlin, Wisconsin, Stoneham, Massachusetts, Dallas, Texas, Waterbury, Connecticut, Miami Lakes, Florida, Barrow-in-Furness, U.K. and Le Rheu, France.

#### Forward-Looking Statements

Certain of the statements contained herein may be, within the meaning of the federal securities laws, "forward-looking statements," which are subject to risks and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements -- which uncertainties or risks includes the Company's ability to generate sufficient cash from operations or future financings of which there can be no assurance. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. See the Company's Form 10-K for the fiscal year ended June 30, 2010 for a discussion of such risks, uncertainties and other factors. These forward-looking statements are based on management's expectations as of the date hereof, and the Company does not undertake any responsibility to update any of these statements in the future.
